

Innovative Airmen...Airlift Excellence...Respect For All!

62 AW/CC Roll Call

22 May 2014

Team McChord,

During Wingman Day, I talked about the *Duty to Intervene* and **THE POWER OF ONE**. As we head into the **Critical Days of Summer** and the long Memorial Day weekend, I ask you to think about those concepts. A true friend, a leader, and a wingman should have the courage to step in and prevent a dangerous situation from occurring. As Airmen at war, we know that the work we do is dangerous. Our commitment to safety, both on and off duty, must match our commitment to the mission. Finally, in honor of **Memorial Day**, please take a moment this weekend to reflect on those who have made the ultimate sacrifice to ensure the freedoms we enjoy today. Please keep the memories of our fallen service members, their families, and all those deployed in your thoughts and prayers. Thank you for your service...Happy Memorial Day!
