

WE'RE HIRING.

CarMax is the nation's largest retailer of used cars, with more than 140 stores. And we're still growing. We have more than 1,000 career opportunities nationwide and offer flexible hours, benefits, and a great working environment.

At CarMax, veterans, service members, and military spouses have the skills to succeed.

- Building rapport, listening, and finding common ground – all are valuable tools for a sales career
- Technical and mechanical proficiency with the ability to diagnose and repair vehicles of any kind translates well to a career in vehicle service and maintenance
- Proven ability to lead and develop others are key talents for Store Management positions
