

Airlift Excellence...Innovative Airmen...Respect For All!

62 AW/CC Roll Call

19 June 2015

Team McChord,

Last week I wrote about *change*. While change is a known constant in our lives, we also have other constants in our DNA as Airmen that ready us for change. *The importance of our Air Force Core Values, our rich Air Force heritage of innovation and courage, our extraordinary level of discipline and professionalism, and our deeply held respect for one another* not only ready us for change, but also bring us together as professional Airmen. So too, the *Spirit of Team McChord* maintains this special continuity among our Airmen...it encompasses our commitment to the incredible partnerships we have across JBLM and our greater community here in the Pacific Northwest. In the end, we'll find that in the midst of great change what matters most really hasn't changed at all!

Please join us on Tuesday to honor Chief Drake as he retires from 32 years of selfless service to the United States Air Force!

The retirement ceremony will take place on Tuesday 23 Jun at 1500 in Hangar 9.
