**62 AW/CC Roll Call**

**6 Aug 2015**

**Team McChord,**

Joint basing was introduced to McChord in 2010 with the joining of Fort Lewis and McChord Air Force Base to become Joint Base Lewis-McChord, one of the largest joint bases in the DoD. This week and next week we will say farewell to two incredible joint base leaders, **COL Chuck Hodges**, Commander Joint Base Lewis McChord and Team McChord's own **Col Anthony Davit**, Commander 627th Airbase Group. The countless hours and unparalleled leadership they put into making joint basing a success has left lasting impacts on our local community partners, JBLM and you as Airmen. Please join me in personally thanking them as they depart the base...they have enabled you as Team McChord Airmen to accomplish the mission with unrivalled support!
