62 AW/CC Roll Call

2 Oct 2015

Team McChord,

October has arrived and I'd like to direct your attention to a couple very important campaigns going on right now. First off, **CFC is here!** The Combined Federal Campaign is a great opportunity to give to those causes we hold near and dear. Since the campaign began in 1964, **federal employees have donated over \$7 billion** to the participating charities, making a positive impact for those in need, and strengthening communities all over. I highly encourage you to **contact your unit CFC coordinator** for more information.

Also, **October is Energy Action Month.** As the largest energy user in the federal government, the Air Force must find ways to **reduce our energy consumption**, especially given the current economic environment. **How can you help achieve that goal?**

Capitol Hill Visit

*This week Chief Mazid and I got a chance to visit with some of our elected officials in D.C. to highlight all of the great things Team McChord members are doing both here at home and around the globe.*

**On the Horizon...**

**Columbus Day [12 Oct]**
