

*The McChord Way...Excellence, Innovation, Respect*

62 AW/CC Roll Call

22 Apr 2016

**Team McChord,**

One month ago, Team McChord kicked off the Air Force Assistance Fund's (AFAF) *Commitment to Caring* Campaign for 2016. One of my top priorities is to...**Develop and Care for Airmen and Their Families**. The AFAF campaign does exactly that! For those that may have only seen this campaign one or two times in your career, the Air Force Aid Society, the Air Force Villages Charitable Foundation, the Lemay Foundation, and the Air Force Enlisted Village are the four charitable organizations involved. Below are specific examples of how the AFAF campaign cares for Airmen and families.

This list is not all-inclusive, but your contributions can provide:

- emergency funds for living expenses
- emergency travel to see a sick or dying loved one
- funeral expenses
- educational grants and scholarships
- homes for our retirees and their widows or widowers.

Making the choice to donate is completely voluntary and I am proud to say that Team McChord is nearly halfway to our monetary goal of \$71,688! If you choose to donate, please reach out to your AFAF unit key workers for any questions you may have. Our private organizations can assist as well through fundraising efforts, so ask your unit key workers for other ways to get involved. Thank you for continuing our *Commitment to Caring* for **our Airmen and our families**.

**On the Horizon...**

- 10 AS Inactivation [6 May]**
- Team McChord Run [6 May]**
- Deployed Families Dinner [10 May]**
- ALS Graduation [11 May]**

Lastly, I thoroughly enjoyed answering the text-in questions during my Commander's Call sessions last Tuesday. Our Airlift Wing Public Affairs office is going to answer commonly asked questions in an upcoming news article. I look forward to answering the remaining questions in future roll calls. ***Thank you for all you do!***

*Leonard J. Kosinski*  
Leonard J. Kosinski, Col, USAF  
Commander
